An Introduction to 'Theological Anthropology'

soul as the form of matter that is the body. The theological anthropology of St. Thomas. has had enormous impact on contemporary Catholic theology that both affirms the body-. soul unity and asserts that the soul is separable from the body.

Murphy's nonreductive physicalism theological anthropology

theological anthropology. Scripture and Christian theology rightly affirm that human beings enjoy neither metaphysical nor methodological pride of place: humanity comes second to God, both in the order of being (namely, creation) and in the order of knowledge (namely, revelation). John Calvin develops this point in the opening sentences of
