Theology is the critical study of the nature of the divine. It is taught as an academic discipline, typically in universities and seminaries. Theology is the study of deities or their scriptures in order to discover what they have revealed about themselves. It occupies itself with the unique content of analyzing the supernatural, but also especially with epistemology, and asks and seeks to ...

I have spent a lot of time researching Keswick or higher life theology. I wrote a PhD dissertation on it (2006), and I condensed it into an article (2008) and revised it as an academic book (2010), which I recently condensed and updated into a more accessible book (2017). Here is how I define two key terms in my 2010 book *Let Go and Let God?*. The "early Keswick movement" refers to a ...
