In Michigan, licensed practical nurses (LPNs) play a major role in shaping the quality of healthcare in the state. With the Bureau of Labor Statistics (BLS) projecting favorable employment growth for the industry at approximately 12% through 2026, it's easy to see why many in the state are looking into LPN programs to find rewarding, solid careers.

Learning styles refer to a range of competing and contested theories that aim to account for differences in individuals' learning. These theories propose that all people can be classified according to their 'style' of learning, although the various theories present differing views on how the styles should be defined and categorized.: 8 A common concept is that individuals differ in how they learn.
