Generally Accepted Auditing Standards, or GAAS are sets of standards against which the quality of audits are performed and may be judged. Several organizations have developed such sets of principles, which vary by territory. In the United States, the standards are promulgated by the Auditing Standards Board, a division of the American Institute of Certified Public Accountants (AICPA).

One central practice of Scientology is an activity known as "auditing" (listening) which seeks to elevate an adherent to a state of "clear", one of freedom from the influences of the reactive mind. The practice is one wherein a counselor called an "auditor" addresses a series of questions to a preclear, observes and records the preclear's responses, and acknowledges them.
