austerity in britain rationing pdf

Rationing is the controlled distribution of scarce resources, goods, or services, or an artificial restriction of demand. Rationing controls the size of the ration, which is one's allowed portion of the resources being distributed on a particular day or at a particular time. There are many forms of rationing, and in western civilization people experience some of them in daily life without ...

What is femininity Edit. Femininity (also called: girlishness, womanliness or womanhood) is a set of attributes, behaviors, and roles generally associated with girls and women. Femininity is socially constructed, but made up of both socially-defined and biologically-created factors. This makes it distinct from the definition of the biological female sex, as both males and females can exhibit ...
